Start your date.

Your interactive date is ready.

START YOUR DATE

https://date-night-game-1.netlify.app

No app to install. No account required.
One phone. Two people.

Open in your browser. No login required. Internet is required for WebApp access.

HOW IT WORKS

01 **Choose your vibe**

Cozy / Funny / Romantic / Competitive

02 **Choose your time**

Quick Date - about 15 minutes
Full Date - about 30 minutes

03 **Choose your intensity**

Sweet / Flirty

04 **Build your date**

Connect / Predict / Play / Challenge / Closer

05 **Go at your own pace**

Time is guidance, not a countdown.

A little more us.

YOUR INTERACTIVE EXPERIENCE

72 activities / 4 vibes / Sweet or Flirty

Dynamically composed dates, with about 15 or 30 minute options. Reveal adds comparison instructions where available; Swap offers an eligible replacement.

Activities may appear again across different sessions. Flirty can include Sweet activities too.

YOUR BONUS OFFLINE MINI-DATES

Four printable editions. The same four mini-dates.

Cozy / Funny / Romantic / Competitive. Four fixed dates / 20 activities, each following Connect, Predict, Play, Challenge and Closer.

Download for offline use. No phone required once printed. The bonus does not contain all 72 WebApp activities.

A4 COLOR

02_Date_Night_A4_Color.pdf

A4 paper / full-color printing

A4 INK-SAVER

03_Date_Night_A4_Ink_Saver.pdf

A4 paper / reduced ink use

US LETTER COLOR

04_Date_Night_US_Letter_Color.pdf

US Letter paper / full-color printing

US LETTER INK-SAVER

05_Date_Night_US_Letter_Ink_Saver.pdf

US Letter paper / reduced ink use

You only need the version matching your paper size and printing preference. All four editions contain the SAME mini-dates. Print at Actual Size / 100%.

SAVE & RETURN

Your current session saves in this browser on this device, storage permitting. It does not automatically sync between devices. Clearing browser data or private browsing may remove saved progress.
